poppy

Shel

Color	Vanilla
Collection	Solid
SKU	FB-S-Y-0006-0001

MATERIAL

Construction	Woven
Composition	Polyester (UV) 100%
Finish	Performance Distressed Chenille
Backing	Yes
Weight	14.24 oz / Linear Yard, 313 GSM
Country of Origin	USA

DIMENSION

Unfinished Fabric Width	58.20 in
Fabric Width	55.50 in
Vertical Repeat	0.06 in
Horizontal Repeat	0.06 in
Match Type	Free Match
Railroad	Yes

APPLICATION

Suggested Use(s)	Decorative, Upholstery
Outdoor Durable	Yes

PERFORMANCE

Category	Commercial Grade
Wyzenbeek	63,000
Flammability / Smolder	CA TB 117-2013: PASS, UFAC: Class I
Lightfastness	AATCC 16.3 2020 Grade 4 min @ 1200 hours
Pilling	ASTM D3511-02: Class 5
Stain Resistance	Yes
Clean Code	W
Bleach Cleanable	Yes, Diluted 10:1

CARE & CLEANING

W

WATER-BASED CLEANING, BLEACH SAFE

No Machine Wash

No Tumble Dry

No Iron

No Dry Clean

Soap & Water

Bleach Cleanable

Stain Resistant

Liquid Resistant

Mildew Resistant

ROUTINE MAINTENANCE

Vacuum regularly using an upholstery attachment as dirt and dust cause fabric to wear faster. Flip, rotate, and fluff removable cushions regularly to ensure even wear and increase longevity. Promptly treat spots and stains to prevent soil buildup on the fabric surface. Do not rub or brush excessively as it may cause fuzzing. We recommend annual professional cleaning to keep upholstered furniture looking its best.

SPOT CLEANING

Clean easily with any household soap and water. For stubborn stains such as red wine or permanent marker, bleach can be used without discoloring or harming the fabric. Always blot from the outside of the stain inward, do not rub. Do not machine wash.

PROFESSIONAL CLEANING

We recommend annual professional steam cleaning or extraction cleaning to keep performance fabrics looking their best. High-grade or harsh professional cleaners are not recommended or necessary.
